1 HAMBRIDGE ROAD, NEWBURY, BERKSHIRE, RG14 5SS

Newbury Tools Ltd is your local Independent tool and plant hire, sales and repair centre welcoming both trade and DIY customers. Whether you need to buy some screws, get your mower serviced or hire a digger, we aim to be your one stop shop.

We also offer a reliable delivery/collection service for our hire equipment if you do not have suitable transport or the time to collect from our premises. Call us to obtain a quote for delivery/collection. We will deliver your equipment as best we can to your time frame and pick it up as soon as possible after you have called us to let us know you have finished with it. We can normally provide same day delivery at short notice.

Each “day” period is 24 hours.

We also offer special weekend prices on most tools so don't forget to check out these and make the most of your weekend. Weekend charges run from Friday 3pm all the way through to Monday 9:30am

We're always adding to our hire fleet and have a huge amount of contacts within the industry so if what you are looking for is not in here, then contact us to find out if we can help with your enquiry.

We also stock a huge range of tools & equipment for sale in our shop including hand tools, power tools, screws, fixings, PPE, workwear, power tool accessories, and gardening tools. Check out our website www.newburytools.com for more details on our water softener salt and Calor gas sales too.

ACCESS

Our Alto access towers are available in two different widths; “narrow” 0.85m wide, or “double width” 1.5m. Tower is also available in two different lengths; “standard” which is 1.6m or “extra long” which has 2.4m long platforms. All variations are the same price and charged by height. The height of our towers is platform height (where your feet will be). These are self assembly via the 3T Method. Towers are readily available for collection or delivery. Sizes highlighted in red are for internal use only. “Narrow” tower cannot exceed a max platform height of 10.2m.
