1 HAMBRIDGE ROAD, NEWBURY, BERKSHIRE, RG14 5SS

Newbury Tools is your local independent tool and plant hire, sales, and repair centre, proudly welcoming both trade and DIY customers. Whether you need a box of screws, your lawn mower serviced, or a digger hired, we aim to be your one-stop shop.

We offer a reliable delivery and collection service for our hire equipment if you do not have suitable transport or the time to collect from our premises. Contact us for a delivery/collection quote. We'll deliver your equipment at a time that works for you and collect it as soon as possible once you let us know you've finished with it. Same-day delivery can often be arranged at short notice.

Each hire "day" is a 24-hour period.

We also provide special weekend rates on most tools—be sure to take advantage of these offers. Weekend charges apply from Friday at 3:00pm through to Monday at 9:30am.

We're continually adding to our hire fleet and have extensive contacts within the industry. If you can't find what you're looking for in this brochure, please get in touch—we'll be happy to help.

Our shop also stocks a wide range of tools and equipment, including hand tools, power tools, screws, fixings, PPE, workwear, power tool accessories, and gardening equipment. Visit our website at [www.newburytools.com](http://www.newburytools.com) for further details, including information on water softener salt and Calor gas sales.

# ACCESS

Our Alto access towers are available in two different widths; "narrow" 0.85m wide, or "double width" 1.5m. Tower is also available in two different lengths; "standard" which is 1.6m or "extra long" which has 2.4m long platforms. All variations are the same price and charged by height. The height of our towers is platform height (where your feet will be). These are self assembly via the 3T Method. Towers are readily available for collection or delivery. Sizes highlighted in red are for internal use only. "Narrow" tower cannot exceed a max platform height of 10.2m.
