

Future-proofed Flush Windows & Doors

The Residence Collection *easily* achieves the Document L regulation change coming into effect on all installations from 15th June 2022 (U-Value 1.4W/m²k & WER B), so no need to worry about any of your Residence orders!

We're ready for 2022 and beyond...

Glazing Width	Glazing Description	Spacer	WER	U-Value
44mm	4/16/4/16/4 Low Iron/Low-E/Low-E (90% Argon)	Warm Edge	A++	0.8W/m ² K
28mm	4/20/4 Low Iron/Low-E (90% Argon)	Warm Edge	A	1.2W/m ² K

*Please note these are just two examples of many different set-ups and combinations, contact us for further information.
